2018 WASHINGTON COUNTY FAIR APPRECIATION AWARD

ROY HUMMEL

In honor of Roy's 52 years of service to the Washington County Fair, a few friends provided comments about what he means to them, the fair, and the kids of Washington County.

A DEDICATED SERVANT

From Cheryl West

Roy Hummel became a Washington County Fair board member in 1966, back when the fairgrounds were located on Razorback Road. Fifty-two years later, Roy is still dedicating his time and energy in service to the fair.

Roy's career as an ag teacher and his experience as a poultry exhibitor for years made him a natural fit to serve as the fair's poultry superintendent. When the fair was moved to its current location in 1967, his first major project was to oversee the construction of the fairground's first poultry barn, which was located south of the present-day concession stands. When it came time to build a new poultry barn in 1984, he again oversaw the construction process.

His knowledge of how the fair operates has been a great resource for us all. If you want to know anything about the fairgrounds, Roy has the answer. He can recall every past and present fair board member and what they did. He can also name most of the kids who have shown at the fair over the years, as well as the names of their parents and grandparents. He has rightfully earned the title of fair historian.

Roy and Betty have selflessly served the youth of Washington County for years. In fact, there are countless kids who have unknowingly benefited from the generosity of the Hummels.

There are many stories about the great adventures of Roy at the Washington County Fair. He has always appreciated a good joke or prank. Even with the long hours of hard work, he always finds a way to keep it fun.

Roy is a humble person and has never wanted any recognition for his service to this fair. He will be quick to give all the credit to Betty for her support and work back on the farm, which have allowed him to put in the long hours of service at the Washington County Fair.

Thank you, Roy Hummel, for your half century of dedicated service to the Washington County Fair. Thank you for showing all of us what it is to have a true volunteer's heart and a willingness to help others. We could not do it without you.

I know Roy will not be pleased his picture is on the cover of the fair book. But, it is better to ask for forgiveness than permission. You more than deserve this my friend.

LAUGH, HELP & BE PRODUCTIVE

From Lanny Rice

In the course of our lives we encounter multitudes of people, yet a few make a significant impression on us. Life can be tumultuous and tiring so we seek to simplify in every way possible. Perhaps the three-pronged principle of the man we honor in this edition of the fair book is the correct approach.

First, make sure you laugh every day. In the last 50-plus years there have been truckloads of chances to laugh out loud when by chance or on purpose you are hanging around this icon of "fair" humor.

Second, make sure you help someone every day. This icon of service to participants at the fair has helped in every way possible and all behind the scenes for decades. Never seeking recognition, yet making sure needs are met.

Third, do something productive every day. This icon of productivity as a fair volunteer is unmatched. For decades as the poultry superintendent and secretary of the fair board he mowed, hauled feed, managed rentals, cleaned, parked cars, and a plethora of other tasks too numerous to mention. These were just part of the productivity scene year after year.

No, Roy Hummel, you didn't make application for this recognition. It is bestowed upon you by those who desire to applaud the example of laughter, service, and productivity you have so nobly lived in front of us for the long haul. Thanks for setting the bar so high.

A BEHIND-THE-SCENES PERSON

From Doris Cassidy

I first met Roy some 40 years ago when I joined the fair board as the Farm Bureau representative. Roy was the poultry superintendent. The board consisted of many men and three women, two representing extension and me. Roy was a common sense voice of reason in the deliberations of fair management.

As the years passed and officers changed, Harley Freedle became the board president with a vision for a new poultry building. The poultry was housed across from the food booths. The building was overflowing with birds to say nothing of the smell that enhanced the food area. Roy lobbied against this. He could not see spending that amount of money for a building that would be used once a year. Finally, Harley made the point Northwest Arkansas was the poultry capital of the state and maybe the world and the fair should have an adequate showplace for a major agricultural product. The building was constructed. As the saying goes, "If you build it, they will come." During Roy's tenure as superintendent, the exhibits increased and space was at a premium.

When I became board president, Roy replaced me as the secretary and began managing the poultry building. During the many years we held these offices, he was always available to assist with fair projects, serve as a sounding board, encourage on dark days, and provide insight on the pulse of the fair. Because we both had full time jobs, our communication by telephone (before days of texting, which he still does not do) was managed by my secretary. Other people complained they could not reach me, but Roy said he never had a problem. I always called him back. However, he had one rule. I could not call after 9 p.m. because he would be in bed!

When I moved my RV to the fair grounds two weeks prior to the fair, Roy came by daily to see if I needed any help. Of course, he used the excuse of setting up the poultry building. During the fair, he helped manage conflict, came early each day so he could operate the front gate, and stayed until the paid ticket sellers arrived. In the summer, Roy and Mike mowed the fair grounds, hauled water to keep the trees alive, sprayed the fence rows, and distributed catalogs. In addition, Roy tested chicken for exhibitors, arranged for free chicken feed during the fair, and transported animals to enter for youth that needed assistance.

Roy has donated countless hours of his time to the Washington County Fair. His volunteer contributions are evident today as he assists Lanny Rice, helps in the office on opening day, helps with the catalog, works on the gate during the fair, and helps with Bikes, Blues and BBQ.

Roy is a behind-the-scenes person. He would never do media interviews during the fair. Even with all the work Roy did for the fair, he would never let me give him fair passes (which have always been like Olympic gold) for companies supplying feed or for his school officials who supported his (and his students') absence during the fair. Instead, he purchased these passes.

His support for youth is outstanding. He never attended a junior livestock sale, but he was a generous contributor to add-on funds for youth in the lower dollar range. He has supported youth that needed clothing and shoes, always cognizant of the pride of the individual. Roy, I know this is not "your thing" so I apologize in advance, but the deserving must be tolerant of appreciative friends and co-volunteers.

A LIFE-LONG EDUCATOR

From Amy Hill

Some may call him Roy, but to me and many others he is Mr. Hummel. He would not want accolades given to him at all. That's not who he is.

Mr. Hummel has spent his life teaching, laughing, helping, and taking care of others. His love for agriculture has given him the opportunity to help and teach many that have come through his doors. He seemed to know so much about all the different areas of agriculture.

He always saw potential in his students, probably long before they did. If he could see an area a student would excel in, he would push a little bit more to help them reach their potential. Don't get me wrong about his teaching; it was serious when we got down to it, but from the time I entered his classroom doors he made things fun. His laughter and chuckles were a daily occurrence.

Today is no different for Mr. Hummel as it was 20 years ago teaching at school. He is still teaching, still helping, still telling great stories of days past, and still laughing. When we have a conversation these days, he always leaves me pondering on the things we have discussed or a different way of looking at the situation. One question he always leaves me with is, "Is it what is best for the kids?" Mr. Hummel's life work has always been what is best for the kids, seeing their potential, and trying to pull that out of them.

Mr. Hummel has been a big blessing to me and to many others. The time and resources he has given over the years to our community and kids shows his heart and character. He has spent a lifetime living out what he teaches and "preaches." His dedication to the community, the fair, and kids is much appreciated, and words could never express how much!

We are honoring Mr. Hummel in this book for the years (decades) of service to the Washington County Fair, our community, and to our children. Years of service that were voluntary and time-consuming but always done to better our fairgrounds, our animals, and the kids involved in the fair.

In honor of him, we should ask the question he has posed many times to me and others, "Are we doing what is best for the kids or helping others?"

RULES

Exhibits must be entered on Saturday, August 18, between 9:00 a.m. and 5:00 p.m. The only exceptions are entries in the Food Preparation department, which will be entered 8:00 a.m. to 12 noon on Monday of fair week.

Exhibits are to be checked out between 2:00 p.m. and 4:00 p.m., Sunday, August 26. The FAIR ASSOCIATION IS NOT RESPONSIBLE FOR ARTICLES LEFT AFTER 4:00 P.M. ON SUNDAY. All exhibits remaining on the fairgrounds after that time will become the property of the Washington County Fair Association to be disposed of as it sees fit.

Personal entry card must be filled out and presented when entering items in Thompson Hall, Open Division. Pre-numbered entry cards are available at the information desk table. No premiums will be paid to exhibitors not turning in entry card. Checks will be mailed to each eligible exhibitor.

ALL WORTHY EXHIBITS RECEIVE A BLUE, RED, OR WHITE RIBBON AS DETERMINED BY THE JUDGES, AND PREMIUM MONEY AS DESIGNATED IN THE CATALOG. IN ADDITION, SPECIFIED GRAND CHAMPION EXHIBITS WILL BE SELECTED FOR EACH DIVISION AND AWARDED A ROSETTE RIBBON AND AN EXTRA $5.00 IN PREMIUM MONEY.

All exhibits shall be governed by the general rules unless otherwise stated. Rules and instructions unique to each division are listed at the beginning of that division's section of the catalog.

All space in Thompson Hall Open Building will be assigned by the General Superintendent who has the right to move exhibits, if in the best interest of the fair.

Articles should be in new condition and never before exhibited at any county fair. Soiled articles, unsealed canned foods or those in non-standard jars, pictures not properly equipped for display, and other articles that fail to meet the standards and instructions listed in the catalog will not be judged.

Exhibitor must be a resident of Washington County or a member of an Extension Homemakers Club in the county.

A. Exhibits must be entered in the name of the person making them.
B. Exhibitor must use the same name on all exhibits shown throughout the fair.
C. Designations for special classes of exhibitors will be denoted on entry tags as follows:
   S—Senior Citizen (age 80 and older)
   H—Handicapped
   P—Professional (one who is in the business of producing and selling the type of article being exhibited)
D. These designations will be considered by judges when determining premium awards. Professional exhibitors are not eligible for the Grand Champion awards.

Two (2) entries are permitted per class with the exclusion of the Photography, Table Setting, and Educational Booths divisions. Entries must be in a different pattern or variety to be entered into the same class. Entries must remain on exhibit in the division entered, and cannot be a part of an additional exhibit to be judged. (Example: an individual entry cannot also be a part of a group entry or exhibit).

Only required personnel with special designated nametags will be allowed in the building during judging. Since judging in Thompson Hall will begin before the 12 noon deadline for entering exhibits in the Food Preparation division, those exhibitors are asked to go directly to that area to check in their exhibits, and then to leave the building immediately.

No junior may compete in the Open division.

The "OTHER" class is only for entries that will not fit in any other class. In order to accommodate new areas of interest, if as many as 3 exhibitors enter the same type of article under the "OTHER" class, a separate class will be set up. Premium money will be awarded for all exhibits.

No person can act as judge of a class in which he or she is an exhibitor.

SWEEPSTAKES AWARD

The Fair Association will present an award of $25 for first place and $15 for second place to the Extension Homemakers Clubs whose members accumulate the most total points on individual entries in the home economics department. Points will be equal to premium dollars earned. If a member of multiple clubs, the exhibitor must choose 1 club. The current EHC Membership list in the Extension office will be used. Extension Homemakers Council will present an award of $20.00 for the individual exhibitor with the most points. In the Event of a tie, the money will be divided equally between the winners.

• This exhibit is a quality selection of five or more different kinds and/or varieties of fruits and/or vegetables. Amounts of fruit and vegetables in this exhibit should be such that they can be arranged in a neat and orderly manner and have good eye appeal. There must be enough of each fruit or vegetable for the judge to determine quality.

• All fruits and vegetables exhibited must be grown by the exhibitor with no artificial decorations.

• No specimens in this exhibit may be entered in another class. Any combination of fruits and vegetables may be used. Those not listed in the catalog may be included.

• The exhibit must be in a container such as a basket or box. It may be covered with a clear plastic cover but judges must be able to handle produce to determine quality. One-third (1/3) of the judging will be on how well the exhibit is prepared and presented. Packing such as paper, straw or cloth, may be used but the fruit and vegetables should be the main attraction of the exhibit.
